KENYA LAND OF MYSTERY AND MARVELS

Isn't she a beauty?!?!?!?

Ok, folks, I've received a few more interesting questions, so here are a few more answers!

We are allowed minimal luggage because space is limited in our vehicles. Soft-sided bags or duffels are best since they can be "molded" into the luggage spaces. One "large" bag, a backpack, and a small carry-on work best. ... and by "large" I don't mean a steamer trunk! Remember, this is a very casual trip. You don't have to pack a lot ... well get to "what to pack" in another newsletter.

Ah, yes, Food and Drink! We will enjoy breakfast, lunch, and dinner each day

on Safari. All meals are buffet and the assortment will amaze you. Breakfast, for example, is not "Continental" ... it's a FULL breakfast. The same goes for lunch and dinner. As for Drink, we'll each receive bottled water each day. You will need to bring your own non-disposable water bottle that will be filled. Kenya is serious about the environment and no longer allows plastic bottles or plastic grocery bags to be used. Tea and coffee are gratis at every meal while alcoholic drinks are not included, but can be bought at each property's bar.

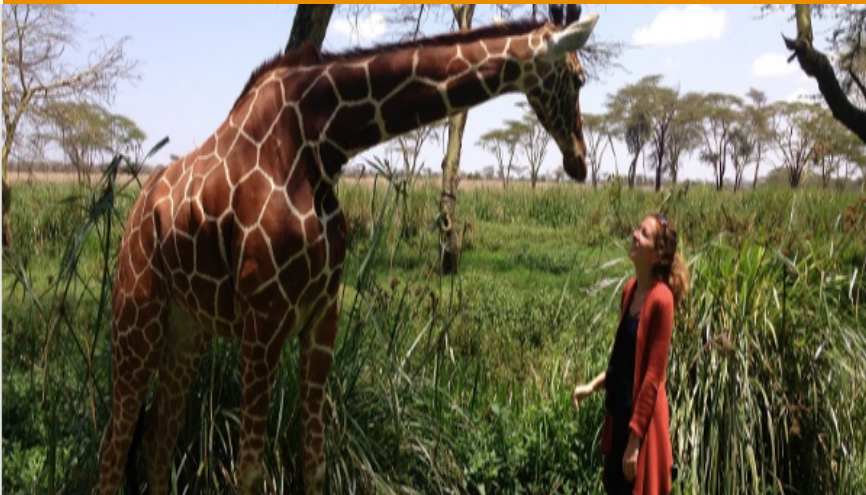

SMOKING! It is NOT allowed on any aircraft! Hotels do have posted smoking areas and if you smoke, PLEASE adhere to the rules and use only those areas. Also, we're not going in the rainy season, so the grasses are dry and we don't want to be responsible for any fires!!!!

Each reserve we visit will have several different entrances. Our first stop will be Amboseli National Park and this is the Kilimanjaro Royal Gate, which is the closest to Ol Tukai Lodge. (The entrance fees to all the reserves is included in the cost of our Safari.)

Remember this area is famous for its large herds of elephants AND its spectacular views of Mount Kilimanjaro the largest free-standing mountain in the world and the highest on the African continent! It's also estimated to have more than 100 lions not to mention a vast number of other animals ... and this is just the start of our adventure!

Ok, Ok, I know you want to see photos, so here you go!

Hope you're enjoying these photos!
You'll take plenty of your own!

'til next week, keep smiling and be
happy!!! Only 294 days to go!
