

KENYA Land of Mystery and Marvels

They're waiting to greet us!!! Are you ready to greet them??? As promised, this week we have the prices for the land portion of our trek! United Travel Group (UTg) has lowered the required head

count to allow us to get this group off the ground! Thank you, UTg!!!

The itinerary will be the same as this year's with one exception. We've been upgraded in Amboseli from Ol Tukai Lodge to Amboseli Serena Lodge. Google it! Ok, here we go:

These prices are Per Person Sharing a Twin Room (unfortunately there are NO single rooms allotted):

7-11 Guests Per Person = \$3,395.00 USD each

12-17 Guests Per Person = \$3,295.00 USD each

18-23 Guests Per Person - \$3,195.00 USD each

As you can see, "The More, The Merrier", so let's get those friends and family members inspired! We all leave the US Thursday, 01 June 2023 to meet in London's Heathrow Airport on 02 June 2023, for our connection to Nairobi! That's just 346 days from today! Again, the above cost does NOT include airfare.

Can you imagine??? Not in the wild, but we will be this close at the Giraffe Centre!

Another lovely surprise, The Sarova Mara Game Camp has updated all their tents! As if they weren't beautiful

enough! Worth another Google!

"They're impish, loving, gentle, loyal, and remarkable graceful ... for elephants"

The video shown at the right has been attached to your email (I told you last week, technology is not my friend!)... turn up your sound and you may hear a few of our comments! Recognize anyone, Deb??? :>)

Each property we stay at has a pool. These guys are why you want to swim in the pool, NOT the river!!! They're big and can be rather unpleasant! Hippos are the most dangerous animals in Africa and the cause of more deaths than any other animal! So swim ONLY in the pools!!!! :>)

We will be updating the website shortly, but for now the itinerary is the same with the exception of the property in Amboseli.

Will we be sitting here??? Enjoying a nice tall drink after dinner???? Just relaxing and sharing stories with old and new friends??? Delightful!!!

Something to remember for those of you who believe this is a stressful trek ... it isn't! What is it is an enjoyable adventure! You can do as much

as you want or as little! We're there to enjoy ourselves and experience things you won't find at home!

`til next week! Kwa Heri! Jeanie Matthies-Kurzrok
