# KENYA Land of Mystery and Marvels

Here we are again, another week gone by!!! Time seems to be flying!!!

Look over your shoulder and it was just 6 months ago we were counting the days to our departure! So sorry about having to postpone, but life does get in our way sometimes! All good thoughts to those of you who are having knee replacements and back surgery!!! ... and best of luck to those who

have family weddings to attend! Let's hope all goes well next year and we can have a full contingent aboard for the adventure of a lifetime!

**Meet Tira, the first polka-dotted zebra seen in this game reserve in Kenya.**

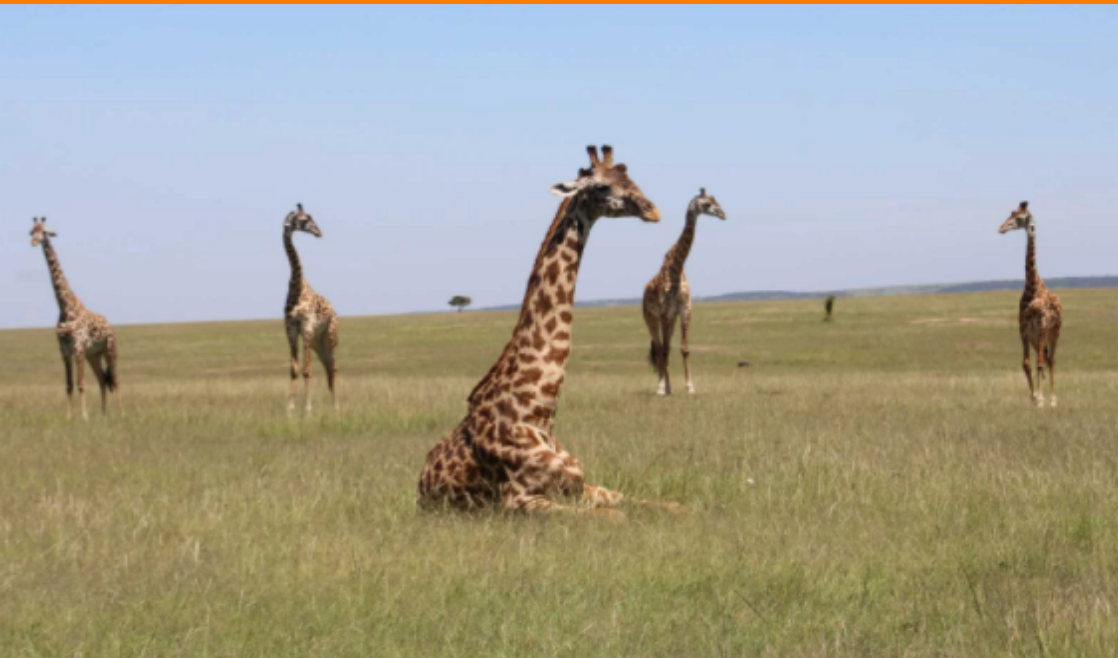

Will we be part of those who have already seen the "Polka Dot Zebra", who by now is full grown??? You'll have to be along to find out!

Safaris have been going out and coming back all year and NO ONE has been

sick! Kenya is well aware of the importance of tourism and has gone above and beyond to protect its visitors!!! Don't let fear keep you from what may be your "Once in a Lifetime" adventure!!!

Kenya is filled with amazing things! From the bustling metropolis of Nairobi to the serene sunsets in Amboseli and more! If you LOVE animals, you'll be in heaven!!!

Remember, this is not a zoo, this is where they belong and we'll see them acting the way they are supposed to act! Playing, hunting, sleeping, being animals in their own turf! (Did you know Nairobi is the only city in the world to have a game reserve within a major city? Yep! A full Reserve, Nairobi National Park, not a zoo.) But I get ahead of myself!!! :>)

From the busy streets of Nairobi, to the serenity of the Savannah ... Kenya has it all! All for you to see before civilization encroaches and it's all gone ...

Sadly, nothing lasts forever. :>(

Look at that face!!!! Wouldn't you like to see it up close??? ... and take a photo like that home to show your friends??? No, they're not always hungry and won't bother you if you listen to our guide! LOL!!! :>)

Let's not forget the "Ellies"!!! It's amazing to watch them up close ... how they interact with each other and how they protect the little ones! ...and how they can completely ignore us! :>)

That's about it for this week. Remember, if you have ANY questions, you can email me at [Info@RevengeTrek.com](mailto:Info@RevengeTrek.com)

Thanks for the questions you've already sent ... will be back to you with more info and look forward to

you guys letting me know you're "in" for our June 2023 departure!!!

Kwa heri! Jeanie Matthies-Kurzrok
