KENYA

Land of Mystery and Marvels

Just another shot of Mom and the Kids! Just another example of what you have to look forward to!!! And here are a few more!

Yep! Even the babies can be HUGE!!!

Ok, ok, they're not ALL adorable ... then again ... ???

The point is, we can't see these at home ... not even in the best zoos. To truly appreciate all these amazing creatures, you have to see them - as they should be - WILD!!!

This may be the last newsletter for a bit. I'm in the process of relocating and a wee bit stressed out!!! I urge you to follow KENYA Land of Mystery and Marvels on FaceBook. I'll be doing short updates as we go along and until I'm fully settled. I also urge you, especially you new guys, to visit our website www.RevengeTrek.com and check out our itinerary for June 2023 AND to look over the past newsletters for more info! Google the hotels, again, and be surprised at their luxury! (We are no longer at Ol Tukai. We are now in the Amboseli Serena Safari Lodge - an upgrade!) Even the tents have full baths with hot and cold running water and flush toilets! :>) Also we do have 2 single rooms available at an additional cost of \$175. Remember, you can always email me at jeanie6433@aol.com and/or info@RevengeTrek.com I'll continue to

answer your questions, add tips and info, and keep you informed of the status of our adventure!

That's about it for now! See you on FaceBook!
