KENYA Land of Mystery and Marvels

Didn't believe me about the tents? Here are 2 examples of the tents at the Sarova Mara Game Camp ... they all have flush toilets and hot and cold running water!!!! :>)

Now get off that fence and let me know you'll be joining us!!!

This may be the only time you get to enjoy

an adventure like this! ... things are changing everywhere and who knows what next year will bring! So come on!!! :>)

<<<< Where will you see something like this???

... or this???

... or this????

Time's passing quickly! Let me now you'll be with us so UTg can get their paperwork to you and we can secure our land space! The properties we'll be staying at are small and space fills up quickly.

Wouldn't you like to end the day with a drink in your hand watching this beautiful sunset????

Join us to experience all the beauty, mystery, and marvels Kenya has to offer!!! Be up close and personal with animals unlike anything you've seen in zoos ... see them the way they should be seen ... living their lives the way they should ... free! See them before they're all gone due to poaching, illegal hunting, and the encroachment of people!

Another week closer to deposits!!! Hope you're all ready to pack!!! Seriously, I do need a firm headcount NOW!!! Credit Cards are accepted for both the deposit and full payment. Let's Go!!!
