# KENYA Land of Mystery and Marvels

Even Baboon babies are cute – if you can see them!!! To do that you'll have to be with us in June!

There's still space as well as the 2 single accommodations.

I have to admit, I'm not a big fan of birds, but the vast array we'll see might

just make YOU a fan! There are birds you won't even see in aviaries!!!

Birds not your thing either? Not to worry, we'll see plenty of other animals!!! AND the properties we'll be staying at will also amaze you! ... as will the food!!! Let's start, again, with the accommodations:

Here's an example of a standard twin room at The Serena Amboseli Safari Lodge where we'll be staying instead of Ol Tukai.

Tents? You want to see the tents we'll be in the Maasai Mara??? Please

don't think pup tents! This isn't the Boy Scouts! Check this out! Concerned about indoor plumbing??? Flush toilets and hot

and cold running water. Above are examples of the accommodations at The Sarova Mara Game Camp.

Still on the fence??? Hummmmm ... OK! Perhaps you're more into Food & Drink! Well, there's plenty of both and it's all DELICIOUS!!! All meals are buffet so you can pick and choose what you'd like. You'll recognize many of your favorites and be tempted to try some of the local cuisine. As for drink, every property has a fully stocked bar and many try the Kenyan beer "Tusker".

Just 2 small examples ... haven't taken many food photos!!! (sorry)

Perhaps you'd like to spend some time lazing at the pool??? Every property has one ... or a massage in the spa? Make that reservation as soon as we arrive at each property, those reservations go quickly!!! :>)

Ok, folks! Get off those fences and let me know you'll be joining us! Email me at [info@RevengeTrek.com](mailto:info@RevengeTrek.com) NOW! :>) All these properties are quite small and intimate, so rooms book up quickly! Times a wastin'!

Join us and enjoy a beautiful sunset like this in the mysterious and marvelous land of KENYA! `til next week ... Kwa heri, Jeanie
