# KENYA Land of Mystery and Marvels

Happy Channuka, Merry Christmas, Happy Diwali, Happy Kwanza, and "Likizo ya furaha" (that's Swahili for "Happy Holidays") to all!!!

Wouldn't a Kenyan Safari be a lovely present???? One size fits all and it is a very "different" gift!!! Just imagine!!! :>)

Imagine seeing these guys up close ... having them walk next to you as we ride along ...

Imagine finding one of these guys following our vehicle ... not looking for dinner, just following along the road at a leisurely pace ... Just a few of the amazing reasons to visit KENYA!

Someone once said: "Travel as much as you can, as far as you can, as long as you can. Life's not meant to be lived in one place." That's something to live by, IF the opportunities are given to you. Here's an opportunity! 01 June 2023 ... Think about it seriously! :>) Then let me know (ASAP) you'll be with us! :>)

Now's the time to check and see if your passport is valid. It must be valid or 6 months after we're due

to leave Kenya ... the passport office is backed up so check it NOW! If you haven't applied at all, now is the time to do that. FYI: US Passports are valid for

10 years.

Will you be one of those who decide to take the hot air balloon over the Maasai Mara??? Here's a photo to give you an idea of just how big those balloons are!

She's standing inside one as it's being blown up! It is an experience!!!

Wouldn't you like to meet these two??? They'll be waiting for us at the Giraffe Centre and LOVE visitors! We'll be able to hand feed them and get up close for some amazing photos!

That's about it for this week, as we all get ready to enjoy a happy holiday season!

'til next week, kwa heri!!!
