KENYA Land of Mystery and Marvels

Hope you all had a Wonderful Day!!! :>)

Who got our Safari as a gift ?????? Let me know ASAP !!!!!

Can't wait to add you to our list of expectant trekkers!!!

Wouldn't you just love to be in these photos? ... or be able to take them???

iPhone, Camera, Video Cam ... whichever your choice, but you have to be there to enjoy!

Just imagine!!!! Enjoying this opportunity with friends and new acquaintances! ... say, for example, meeting this Maasai warrior wearing a lion's mane headdress! - No, they no longer require the killing of a lion to be welcomed as a warrior. But the tradition of the headdress lives on.

Enjoy the coming week and accept our wishes for a happy, healthy, prosperous 2023 ... We look forward to welcoming you ALL to Kenya in June 2023!

HAPPY EVERYTHING!!!! Kwa heri, Jeanie INFO@REVENGETREK.COM
