There are only 328 days before we leave!!!
Are you ready? :>)

KENYA

Land of Mystery and Marvels

Another beautiful sunrise to enjoy with your breakfast!

This morning we depart Lion Hill Game Lodge for the Maasai Mara and our 3 nights in a Tented Camp! Tents? Yep! ... but, OH!, what tents!!!!

Standard Tent

Standard Tent

As usual, we'll enjoy hot showers, comfy beds, and delicious food ... not to mention the game drives here in "The Mara"! (Oh, yes, there is a bar) Located in the southwestern part of Kenya, it shares a border with Tanzania and consists of 583 square miles of preserved savannah wilderness. It's home to a vast array of animals including lions, cheetahs, elephants, hippos, and zebras. Both the Mara and Talek rivers cross the Mara and in rainy season both may flood. (Don't worry the heavy rains generally fall in April!) During the annual migration, you can see herds of Wildebeests. It is also dotted with Maasai enkangs or small villages. Located in the Rift Valley, the Maasai Mara National Reserve was established in 1961. So much for today's geography/history lesson!!! :>)

If you're planning on taking the Balloon Flight, this is the place to do it! Again, it is expensive, but how many times will you have the opportunity to fly over the Maasai Mara and see all that you can't see from the ground? As you near landing, you'll see "the chase vehicle" rushing to assist with your landing ... and when and where else can you experience a beautiful breakfast, like this???

order omelets, fresh juice, coffee, tea, pastries, complete with champagne, and friendly companions ... mmmmm!!! :>)

All in a setting you won't see again. ENJOY!!!!

Now we have to get back to business. We still have 7 openings to fill in order to hold this price. I ask all of you to have the courtesy to let me know if you are interested or not. As you can see, this is a fabulous trip and one you will remember forever! ... but we can't go at this price unless seven (7) more of you join us. If you need a roommate, it can be arranged. Right now we have one gentleman who will need a roommate, and myself.

Think about it and let me know ASAP! :>)

Another sunset to end another beautiful day! Kwa heri 'til next time!
